Weddings at Middle Temple

Historically Unique

Largely unchanged since it was first built in the mid 16th Century, the beautifully detailed architecture of Middle Temple makes for a dramatic and unique back drop for your wedding day. There are an abundance of stories through the ages, starring some of the greatest figures in British history. Follow in the footsteps of Queen Elizabeth I, William Shakespeare and Sir Walter Raleigh, to name but a few, and let the sense of tradition reflect in the spirit of your wedding.

Our dedicated events team will work with you to create a day that is uniquely yours, and one that you and your guests will never forget.
